About Us

The KISx Card is the nation's largest surgical and imaging direct contracting solution. We are here not only to save you and your employees a substantial amount of money, but to make healthcare SIMPLE- the way it should be!

Experience:

1 in 3 patients use the program more than once within a year

KISx Card procedures constitute 30-35% of your annual medical spend

Patient no longer avoids a procedure that they possibly couldn't afford

The KISx Card is the premier provider of Bundled Surgery programs for several TPAs & Stop Loss Carriers

The KISx Card published in Employee Benefits Advisor Magazine

KISx Card client at the White House as part of Transparency Executive Order

Savings:

- ✓ **50% Average Savings**
- ✓ **Over 400 Procedures Available**
- ✓ **\$250K Annual Savings per 1,000 Enrolled Employees**
